

SCDXC Newsletter

The Southern California DX Club is a group of dedicated men and women active in the amateur radio community who enjoy communicating over the air with other radio amateurs around the world.

The SCDXC strongly supports the DX Code of Conduct. Please visit their website:

www.dx-code.org

The SCDXC newsletter is published monthly and released to club members around the first of each month. Amateur and DX related letters, news and pictures are welcome and will be published as time and space permit.

Articles will be republished with recognition of the author and the club. Re-use of copyrighted materials require the original author's permission.

Any questions regarding this newsletter or its articles should be addressed to the Editor, Bill, N6RV at:

n6rv@scdxc.org

Club meetings are held on the second Thursday of the month at 7:00 PM except April, June, and January.

Please check the club web site for events and details at:

<http://www.scdxc.org>

If you are in the area please say hello on our repeater:

W6AM/R 145.48, (-) PL 100.0

Happy New Year!!!!

Announcements

Jerry Lewine SK

It is with deep regret that we inform you that our dear friend, Jerry Lewine, K6QU, became an SK on Tuesday 12/22 at City of Hope. Jerry loved the hobby and was a good friend to everyone. He worked as the chief engineer for many broadcast stations including the famed KHJ. He helped out with the club in several capacities including Treasurer (2016 - 2018) and Newsletter editor (2014). His storied career and amateur radio experiences are outlined on his QRZ.com webpage.

He was always cheerful and uplifting, happy to see you and we were happy to see him. One succinct statement that encompassed his attitude towards life comes from his wife Sheryl:

"When Jerry was ever asked where he grew up, he responded that he never grew up! He was able to maintain his child-like wonder and optimism until the end."

Thank you Jerry for your friendship, your fellowship, and your joyful life! You are already missed. SK

2021 Board

We managed to fill out the board for this year. Thank you to all who stepped up. We will be looking for the 2022 board soon. If you are willing to join us please let us know.

From the Desk of the President

Larry Mallek, K6YUI

Happy New Year Everyone!

I would like to thank the 2020 board for keeping the club going, even with the problems of the world.

Thanks also to everyone who attended the November and December meetings. As we all know, November is when we elect the 2021 board. Thank you to those who came forward to be on the 2021 board.

From the looks of things the bands have been active and there are still some DX operations going on around the world. There are even some planned for next year.

Since most of us have been spending all of our time at home this year, our radio rooms are now looking great with everything where it belongs. Coax cables are in place and all connectors have been cleaned and are looking like new.

I am not sure when we will be able to a real meeting where we can be in the same room, with and luck it will not be long. Keep looking on the positive side.

73,

Larry Mallek, K6YUI

President, Southern California DX Club

January Calendar

January	1	Straight Key Night
January	4	YB DX Contest
January	9	DARC 10-Meter Contest
January	10	NAQP, CW
January	14	Skype Club Meeting 1900
January	16	Hungarian DX Contest
January	16	NAQP, SSB
January	23	BARTG, RTTY
January	23	UK/EI DX Contest
January	29	CQ 160-Meter Contest, CW
January	29	NRAU 10-Meter Activity Contest

For more contest Info see: <http://www.hornucopia.com/contestcal/contestcal.html>

VP January 2021 Blurb

John Schroeder, N6QQ

Hello Fellow DXers!

Here's Johnny... I'm back.

Thanks for the opportunity to serve again. None of us want to see SCDXC go by the wayside. Thank you 2020 BoD. Your service held the club together through the toughest year on record.

Talking about 2020 here is a quick review!

Visalia Convention Committee.

Everything went well until March. Then the world changed.

Thank you Cathy, K6VC and Kris, KC6TOD for their many hours running the Visalia committee.

Doug, W6HB for working on the raffle prizes. Bill, N6RV for putting together a list of speakers and booklet, plus the rest of the committee members.

No face to face meetings for you... for the rest of the year! Fortunately they did not shut down amateur radio privileges or they would have a revolt on their hands!

June 22, biggest opening into Europe on 6 meters. Expect this sporadic E propagation every year!

10 meters is coming back! I worked 58 countries and it was effortless. I just watched the calls fly by on FT8!

Over all, I worked 209 countries. That is a far cry from years gone by and it means, being at the bottom, there is no other way but up!

COVID has increased the stock value of Zoom and Skype and we helped that! Expect a few more months of isolation! Maybe this will be the norm!

How was the Christmas/Chanukah party? I missed it!

Jerry, K6QU, we will miss you good friend. (RIP)

We have a new board for 2021 and all of them are under 80 years old, at least at the start of this year!

I still have the prizes for the March meeting and some from the convention. They may carry us over until the end of the year.

Let's take up a pool. Whoever gets closest to the date we can meet in person wins!

STAY ACTIVE !!!

73 and Good DXing!

John Schroeder

Rumors on the Band

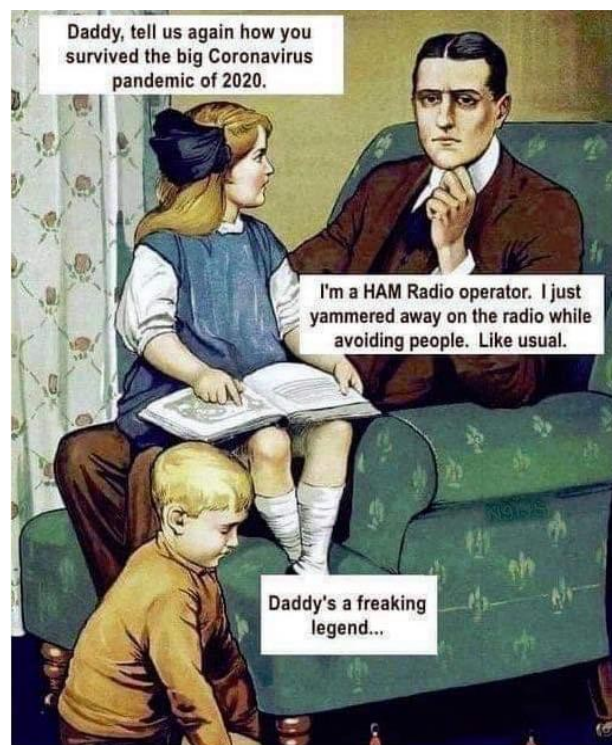

The lone DX announcement says it all. We are truly DXpedition poor for January!

Here we are at the end of another year, possibly the worst year for some of us. Let's hope for a better one in 2021!

Right now N6WS, Bill, has worked DXCC in the first three days of 2021. That is a record.... Somewhere! We will hold a challenge from now on. The first one to hit DXCC will be recognized.

Now to 2020. Peter, N0FW, took top honors among all members with 256 worked in 2020. He also took top honors for all ClubLog members. Ohms, PY5EG, rose to the challenge and fell short by one. As far as Southern California members, Kent, N6WT, stepped up with 237 worked. He is in a good position to take CQ Marathon for the Sixth District.

Altogether SCDXC worked 262 entities in 2020 that is 21 less than last year. It appears COVID suppressed the available entities. Looking at the green chart, all of the white spaces and many of the yellow spaces should have been worked! Supporting this theory is the ClubLog leaders worked 265 entities, 20 less than 2019 and 15 more than Southern California members.

Fellowship of the Schroed
All are Welcome!

2020 Get Schroeder Contest Results

Overall, 5 members crushed John, N6QQ, and one kept up with him. 8 members broke 200 and 25 members exceeded or met DXCC. The numbers can be credited to being cooped up at home!

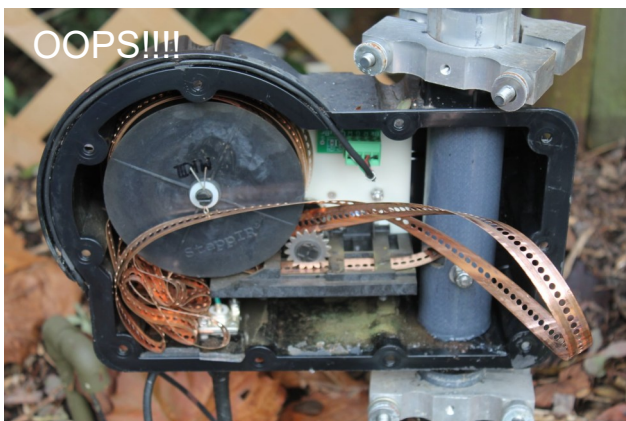

There are 40 members in the ClubLog SCDXC club. That is very good but we need more. If you want to join ClubLog we are more than happy to help you get on board! Thanks to all who played this year!

BTW there was a big 6 meter Pacific opening on January 3rd. Members worked E5/N, VK, ZL, and ZL7. Had there been more stations active down under the country count would have been greater. This is among a handful of Winter Es openings witnessed ever! It is summer in the S Hemisphere!

Winter 6 Meter Sporadic E (N6RV)

Right now is 6 Meter Sporadic E season in the Southern Hemisphere. This is also the time for Northern Hemisphere stations, particularly in the southern regions of the Northern Hemisphere, can sneak in and work stations in the Southern Hemisphere. Be on the look out for these openings. Use PSK Reporter and the ON4KST webpages to keep an eye out. If you have an extra radio with an independent 6 meter antenna then point it to about 240 degrees and keep WSJTx running. You will be surprised.

2021 Club Activities (N6RV)

The new board is in place and there has been significant turnover. We not completed the hand off. So, January is a month full of challenges. Basically we will be having remote meetings. We are looking into the picnic and there is a small meeting up in Visalia on the convention date. Likewise, we will be looking at the summer bash and the Christmas / Chanukah party. Finally, we will be looking for a venue if and when things open up.

Remember, if you paid dues in 2020, 2021 is free!

Heathkit History Article (N6DHz / CADXA)

Here is a neat article on the history of Heathkit.

Propagation

Propagation is definitely on the rise. Looking at the charts to the right the minimum was back in May-June 2019. Expect the next few years to be fun and then the peak will be incredible!!!!

Strongest Cycle Ever?

Maunder Minimum.. Maunder Minimum!
